Dear Mr Bloom.

In answer to your appeal,
I am a 88 year old pensioner, so I have sent
a small donation. I do not want any money
returned to me, if you do retain the seat.
I wish you success, and hope you are returned
successfully. I am not able to take an active
part, but I take a great deal of interest in all
UKIP's activities and I try to keep as much as I am
able financially.

Yours Truly
